CORRIGENDUM

Subject: Clarification regarding the Unit of Rate in GeM BOQ for Tender for Digital Evaluation of Answer Scripts

With reference to the Tender for "Digitization of Answer Scripts and On-Screen Marking", the following clarification is hereby issued:

1. The Tender Document specifies the rate "**Per Answer Booklet**", including scanning of answer scripts and on-screen marking as per the requirements/specifications of the tender.

However, in the GeM BOQ, the unit of measurement is appearing as "**Per Student**". It is hereby clarified that the term "**Per Student**" appearing in the GeM BOQ shall be read as "**Per Answer Booklet**".

Accordingly, bidders are requested to quote their rates considering **one answer booklet as the unit of measurement**, as specified in the original tender document.

2. In Pre and Technical qualification **WITH and WITHOUT spine cutting of answer booklet work Experience**, both will be considered.

All other terms, conditions and specifications of the tender shall remain unchanged.

This corrigendum shall form an integral part of the tender document.
